# COUNTRY LIVING AT ITS FINEST IN THE SCENIC CRESTON COMMUNITY

*Located in the rolling meadows of Creston, 29 Whitetail Meadows is an immaculate 3,250 SF +/- executive home with an open floor plan, sophisticated architectural detailing and beautifully landscaped yard. The location of this 5 acre horse property offers country living at its finest in a pristine setting with dramatic rocky mountain views while still close to both Kalispell and Bigfork.*

The owner has updated many parts of this immaculate, must see home. The ground floor (2,917 +/- square feet) of the residence has 4 bedrooms, 3 1/2 baths, hardwood floors, stone fireplace, formal dining and a casual eating nook in the spacious kitchen.

The spacious bonus room over the garage with a three quarter bathroom (325 +/- square feet) doubles as a recreational room or a great area for guests. The kitchen offers stainless steel appliances with granite countertops and custom wood butcher-block island with built in wine rack and a pantry.

The informal den with stone fireplace has a custom elk horn chandelier which comes with the home. The ground floor also has a second room for entertaining or simply relaxing near the dining room. Granite countertops and beveled mirrors are located in every bathroom. The office offers custom built in cabinets and desk with views of the mountains and meadows.

Additional features included with the property are: all window treatments, emergency generator, central heating and air conditioning, tankless hot water system, water purification system, triple car garage (with epoxy flooring), paved circular drive, Trex decking and great storage.
