

Main Residence

The ground floor (2,615 +/- square feet) of the residence has one bedroom with its own bathroom, a half bathroom, a great room with detailed timber work and massive stone fireplace, a spacious gourmet kitchen with high quality appliances and granite countertops, a dining area, a den area with a second stone fireplace, a butler's pantry, a mudroom/laundry room and a two car garage with extra storage. The entire downstairs is finished with beautiful timber work in many locations along with stone flooring throughout the living area.

Waterfront

The fully landscaped back yard has a gentle slope with a short walk down to the pebble beach with 167 +/- feet of waterfront footage. Near water's edge is a spacious gazebo with a large area to relax. The superbly constructed 700 +/- square foot concrete dock comes complete with a lift station, boat bumpers and swimming ladder.

Bigfork, Montana
